To Whom It May Concern:

We have received your request for Material Safety Data Sheets (MSDS). The products that you purchase from Kendall (5329) does not contain hazardous substances as defined by the *current* OSHA regulation and, therefore, we do not have material safety data sheets. These products are, in fact, articles, which are exempt under the OSHA Hazard Communication regulation.

To be considered a hazardous substance (and therefore require an MSDS), a product must have shown statistically significant evidence, based on at least one study conducted in accordance with established scientific principles, that acute or chronic health effects may occur in employees exposed to the substance, and/or present a significant physical hazard.

If you should have any further questions on the above product(s), please do not hesitate to contact customer service at (800) 962-9888 or me at 508-261-8084.

Sincerely,

THE KENDALL COMPANY LP
