Dear Dental/Health Care Professional:

Thank you for contacting Johnson & Johnson Consumer Products Inc. We are always pleased to provide information to Dental/Health Care Professionals.

In compliance with the rules of the federal Occupational Safety and Health Administration (OSHA), we provide Material Safety Data Sheets for all products that require them. The majority of our consumer products contain no hazardous materials and, therefore, do not require an MSDS. These items are listed below:

DENTAL CARE: Dental Floss
 STIM-U-DENT* Interdental Cleaners
 Toothbrushes

HEALTH CARE: Adaptic* Non-Adhering Dressing
 Johnson & Johnson Antiseptic Wipes
 All Dressings and Tapes
 Debrisan*
 First Aid Cream
 First Aid Kits and Components
 K-Y* Brand Lubricating Jelly

Again, our thanks for your interest in Johnson & Johnson Consumer Products. We hope you will call our toll-free number should you have any comments, concerns or questions in the future.

Sincerely,

The Information Center
